August 13th at 7:00pm

Westcave Preserve

24814 Hamilton Pool Rd.

Round Mountain, TX 78663

www.westcave.org

Come socialize with your local community and join us for an informative talk by Katherine Romans, Landowner Outreach Program Manager and Charlie Flatten, Water Policy Program Manager, both from the Hill Country Alliance. Katherine will speak about the Hill Country Alliance and their work to protect the region we call home. Charlie will be discussing the basics of water in Texas – from climate and weather, to policy and planning. Expect an overview of Texas' historical water use and the mechanics of how water is regulated, tips for good conservation and stewardship of our precious resource!

New property owners are extended a special invitation!

The Westcave Roundtable brings local area residents together to explore issues of common interest.

Please RSVP to amber@westcave.org or call 830-825-3442

Snacks will be provided and please feel free to bring your own to share.
