

Teaming With Wildlife

The State of Nature in Texas

Thursday, October 16, 2014

7- 8:30 pm

Unity Church of San Antonio
1723 W Lawndale Dr
San Antonio, TX 78209

Wildlife Biologist Richard Heilbrun will present “The State of Nature” in Texas, and discuss emerging issues facing our state’s natural resources, including a grassroots effort to speak for the wildlife that cannot speak for themselves. Managing Texas’s critters and wild places means involving all Texans in the “Conservation Conversation.” Richard will discuss how we can participate in “Keeping Texas Wild!”
