

Kerr and Mason Mountain Wildlife Management Areas

Present Our

First Friday Tour Schedule

Come join us for one or all programs!

Part 1

Friday August 1st

Friday August 8th

Kerr Wildlife Management Area 1 – 5 PM

Mason Mountain Wildlife Management Area 8:30 AM – 3:30 PM

“Elements of Habitat”

Understanding central components in management of any wildlife species, food, water and cover are critical to wildlife management success. Join us for programs addressing the diets of native and exotic species, water use, development strategies and cover requirements. Outdoor tour of sites at the Management Areas will follow demonstrating topics covered indoors. This program is free of charge.

Part 2

September 5th

September 12th

Kerr Wildlife Management Area 8 AM – 3 PM

Mason Mountain Wildlife Management Area 8 AM – 3PM

Addressing Natural Resource Concerns “Facing the Quail Decline”

Texas Parks and Wildlife and Texas A&M AgriLife Extension have teamed up to deliver quail ecology, decline issues, research highlights, and statewide initiatives concerning the Northern Bobwhite and Montezuma quail. Join us for programs covering what we have learned and are investigating regarding these species and learn how to participate in the Texas Quail Index. Outdoor tour of sites will demonstrate activities and topics covered indoors. Registration begins at 7:30 AM, contact the WMA office for registration and lunch details.

- Quail Ecology and Statewide Perspective
- Texas Quail Decline
- Texas Quail Index
- Montezuma Quail Research (Kerr WMA Only)
- Habitat Management at a Quail Scale (Mason Mountain WMA Only)
