

San Antonio Sustainability Forum

Innovation. Sustainability. San Antonio.

You're Invited to San Antonio's first-ever Sustainability Forum.
Join local visionaries to learn, share, and engage in the
development of the City's Sustainability Plan.

JUNE 23, 2015
5 - 8 PM

In the Grotto of the Henry B. Gonzalez Convention Center
FREE PARKING & REFRESHMENTS

The City of San Antonio is hosting the first ever Sustainability Forum. The event is designed to be innovative and fun with concurrent activities focused on elements of the Sustainability Plan, such as air quality, economic vitality, energy, land use, resilience, social equity, and water conservation. **Activities include:**

- *Tedx-style presentations on existing sustainability action*
- *Creative brainstorming sessions to determine San Antonio's future path*
- *Speed planning to share your ideas on a sustainable San Antonio in a fast-paced social setting*

For more information about the event visit www.sasustainabilityplan.com

REGISTER TODAY

The first 100 people through the doors will be entered into a raffle to **WIN AN IPAD MINI**
