

Arundo Management Information Session

Partners with the Healthy Creeks Initiative are providing assistance to Pedernales Watershed landowners with treating Arundo, an invasive plant causing damage in the Hill Country

An information session is being held for landowners to learn more about receiving no cost assistance to treat Arundo

Thursday, May 5th

6pm - 8pm

Frantzen Park, Fredericksburg

(corner of S. Orange and W. Ufer)

Partners with the Healthy Creeks Initiative will also be present to answer questions at the Green Solutions Expo in Fredericksburg on Saturday, April 16th from 9am - 4pm.

Email healthycreeks@tpwd.texas.gov with any questions.
