

Hill Country Chapter

Patsy and Tom Inglet of the Mitchell Lake Audubon Society, Bexar Audubon Society, and Audubon Texas will present

“Native Plants and Native Birds: A Relationship Worth Nurturing”

Native plants and birds have developed together over time and have a strong reciprocal relationship. Hill Country residents who nurture this relationship will be rewarded with beautiful landscapes appropriate to the area and the wonderful birds they will attract and sustain.

Monday, July 25, 2016
Wimberley Community Center
14068 RR 12, Wimberley, Texas 78676

Social 5:30 pm, Program 6:00 pm

The Public is Invited
