

The Secret Lives of Bats

Wednesday, March 8, 6:00pm
William R. Sinkin Eco Centro
1802 N. Main Ave.

Free & Open To Public

Fran Hutchins of Bat Conservation International lets us in on some secrets about these vital yet often misunderstood animals. How do they benefit us? Why are they threatened?

*Join us again on Saturday, April 1
for our bat house building workshop.
Stay tuned for more information.
