

RAIN GARDEN WORKSHOP

SAN ANTONIO
RIVER AUTHORITY
Leaders in Watershed Solutions

Saturday, April 29, 9am-12pm

William R. Sinkin Eco Centro

1802 N. Main Ave.

FREE, PRE-REGISTRATION REQUIRED

HANDS ON ACTIVITY: Building a Rain Garden at Eco Centro!!

Did you know that the quality of our creeks and rivers starts with your landscaping?
Come join us as the San Antonio River Authority leads this workshop explaining:

- The importance of rain garden landscaping in our environment
- The most effective plant selection for drought tolerance and pollinator habitat
- Determining the proper specifications, dimensions, and drainage for your area

ALAMO COLLEGES DISTRICT
San Antonio College
