

LEAK DETECTION WORKSHOP

FREE & OPEN TO THE PUBLIC

GARDENSTYLESA.COM

1 WaterSaver Reward Point

All Participants will receive a
FREE leak detection kit!!

Wednesday, June 14, 6:30pm
William R. Sinkin Eco Centro
1802 N. Main Ave.

-Did you know that most homeowners have leaks that they never even know about?

-These “phantom” leaks can cost hundred of dollars!!

-Some of these leaks can can be fixed in minutes

This workshop will show participants how to detect these leaks using various methods. It will cover all of the areas that tend to leak, and show residents how to fix them using simple methods hands on!

-We will cover when it is best to call a plumber vs. DIY

-We will also answer any questions regarding specific issue that you may have!
