ADVERTISE IN THE EVENT PROGRAM (FOR SPONSORS AND EXHIBITORS)

Bigger. Better. More fun!

More than 100 booths/display areas and expanded exhibitor types! This year our focus is not only on rainwater harvesting, but also on the many ways we can live lightly and beautifully in the Hill Country.

If you have products or services that are environmentally beneficial, sustainable, green and healthy in the areas of water, energy, landscape, lighting, home improvement or sustainable design, then this event is for you. With an expanded array of things to see and do at the **2017 Rainwater Revival+Hill Country Living Festival**, we anticipate attendance to range from 750 to 1,000.
