

Compliance and enforcement for EPA permitted air quality facilities in the Texas Hill Country

Data for all facilities as listed on Sept. 26, 2018 at <https://echo.epa.gov>

Definitions for selected column headings at end of table and detailed definitions at <https://echo.epa.gov>

First row with text above data represents name abbreviations as used in the web link above

Column widths need to be adjusted to read text

Sorted by county

Facility Name	City	County	Population Density per square mile within 3 miles
AIRName	AIRCity	AIRCounty	FacPopulationDensity

Standard Industrial Classification Code identifies the primary activity of the facility. Code definitions
Clean Air Act Program Codes defined at <https://echo.epa.gov/tools/data-downloads/icis-air-downloa>
Current Air Compliance Status: No Viol = No Violation; Unaddr-State = Violation unaddressed, stat
HPV - High Priority Violation: Yes indicates that the facility has a High Priority Violation under the C
Pollutants with recent violations: FACIL = Administrative violation regarding record keeping
TRI: Toxic Release Inventory <https://www.epa.gov/toxics-release-inventory-tri-program>
NEI: National Emissions Inventory <https://www.epa.gov/air-emissions-inventories/national-emissior>
NATA scale percentile cancer risk explained at <https://www.epa.gov/national-air-toxics-assessment/>
