

Compliance and enforcement for Hazardous Waste facilities in the Texas Hill Country

Data for all facilities listed at <https://echo.epa.gov> as of Sept. 25, 2018

The 4th-8th and 11th-13th column information refer to compliance with the Resource Conservation and Recovery Act (RCRA)

The 9th-10th column data represent those reported to the EPA Toxics Release Inventory (TRI)

Note that column widths in table may need to be extended to read all text within

Definitions for selected column headings at end of table and detailed definitions at <https://echo.epa.gov>

Definitions for **RCRA Violation type codes**: https://echo.epa.gov/system/files/ndv_viol_type_C
A **Significant Noncompliance** represents an actual exposure or a substantial likelihood of exposure from the terms of a permit, order, agreement or RCRA statutory or regulatory requirements.
Land Releases (Pounds): The amount, last year and in pounds, of on-site land releases from the facility of the reporting facility.
