

Sec. 13.1723. - Employee parking.

Retail and service businesses and major institutions, such as hospitals, are encouraged to provide designated employee parking. Such parking may be in a remote location at a greater distance than the 1,000 foot minimum specified in section 13.1708, provided that shuttle service is provided. Employee parking meeting this requirement shall be counted toward the minimum parking requirement specified in table 17-2.
