

2020 Hill Country Alliance Photo Contest Rules, Terms and Conditions

[The Wild and Wonderful Texas Hill Country](#)

The Texas Hill Country is a unique region of pristine springs, sprawling landscapes, diverse wildlife, star-filled skies, multi-generational land stewards, historic towns, and hidden oases. With a rapidly growing population and increasing development coming into the region, many of these special qualities are at risk of being lost forever. For the 14th annual Hill Country photo contest, HCA asks photographers to take out their cameras and focus on “*The Wild and Wonderful Texas Hill Country*.”

We are looking for photography that captures the vibrant beauty of our native landscapes, wildlife, and water resources of the Texas Hill Country. Beyond those natural and cultural features, we want to see photography that captures the small-town spirit and unique heritage of the people inhabiting this special part of Texas. Every county, city, and town has its own splash of colorful character and as a result, we each have our own favorite piece of this region whether it is in town or down a dirt road. Through the photo contest, we are asking photographers to share images of the Hill Country they want to capture and protect forever.

The Photo Contest is open from March 20 through May 31, 2020. Photographers of all ages and skill levels, from amateurs to professionals, are invited to participate. Winners will receive cash prizes and their photos will appear in HCA’s 2021 Calendar.

HCA’s annual Texas Hill Country Calendar features stunning photography from each year’s photo contest. The purpose of the calendar is to highlight the beauty of the region while providing an informative resource on Hill Country conservation. HCA hopes their calendar will inspire people to learn more and become involved in the issues important to keeping the natural resources of this unique region intact.

Entering is easy! Photos can be submitted online in just a few minutes. See below for details.
