

MEDIA ADVISORY

Released [DATE]

October is Hill Country Night Sky Month

Hill Country Night Sky Month is a celebration of one of our region's most dazzling features — the star-filled night sky — and a time to recognize the many ways Hill Country communities are working to preserve it.

Hill Country Alliance (HCA) is joined by partners and night sky champions across the region for a month of virtual events, activities, art, games, competitions, proclamations and other ways to expand the joys and benefits of dark night skies – all COVID-safe and health aware.

Celebrate Hill Country Night Sky Month

WHO: Communities throughout the Hill Country region

WHAT: Events promoting night sky awareness to communities throughout the Hill Country region

WHEN: October 1 – 31st, 2020

WHERE/HOW: Find out about events being hosted by partners throughout the Hill Country region and learn how to host an event here through HCA's web portal, **NightSkyMonth.com** which serves as a clearinghouse for information, inspiration and events occurring throughout October 2020.

Event Partners: [Hill Country Alliance](#), [Junction Economic Development Corporation](#), [Blanco County Friends of the Night Sky](#), [Bandera County Friends of the Night Sky](#), [Comal County Friends of the Night Sky](#), [Hays County Friends of the Night Sky](#), [Kendall County Friends of the Night Sky](#), [Kerr County Friends of the Night Sky](#), [Travis County Friends of the Night Sky](#) and more.

Media Contact: Cliff Kaplan, Hill Country Alliance, Program Manager, 512-387-3097, cliff@hillcountryalliance.org

HCA's web portal, [NightSkyMonth.com](https://www.nightskymonth.com), is a clearinghouse for information, inspiration and events occurring throughout October 2020.
