

# Be a Sponsor. Be a Star.

Help us celebrate our night sky in October.

**October 2021 is Night Sky Month in the Texas Hill Country.** It's a perfect opportunity for you to shine bright among the many thousands of stargazers of all ages who love the night skies and want to keep them dark and dazzling.

**Please join the Hill Country Alliance as a sponsor of our annual Night Sky Month.** October 2021 is a month filled with activities and celebrations planned by partners and communities across the Hill Country.

**NightSkyMonth.com**, is your premier headquarter and central calendar for all star-happenings throughout the Hill Country, throughout the month. Your name or logo could be there, too, – as bright as Sirius!

## Be a shining star in our night sky!

Sponsor Categories & Level Benefits	Milky Way \$2,000	Big Dipper \$1,000	Orion \$500	Shooting Star \$250

Your support will make it possible for us to promote, share, and preserve our Hill Country starscapes.

To be a star, contact: Dawn Davies, dawn@hillcountryalliance.org.

General donations are welcome and can be made on our [Night Sky Month donation page](#).

Your support is appreciated!
