

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

July 17, 2014:

1:00 pm - 5:00 pm

Dripping Springs Ranch Park

1042 DS Ranch Road

Dripping Springs, TX 78620

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Onion and Barton Creek watersheds as well as efforts by the Texas Commission on Environmental Quality, Texas State Soil and Water Conservation Board, Barton Springs Edwards Aquifer Conservation District, Hill Country Alliance, and area residents to help improve water resources and the health of the surrounding watersheds.
