

Wildlife for Lunch Webinar Series

Wild Pigs

Join TWA and Texas A&M AgriLife Extension for the next
Wildlife for Lunch webinar!

When: Thursday, September 18th, 2014, from noon to 1:00 pm CST

Presented by: Mark Tyson, Extension Associate, Texas A&M AgriLife Extension

Topic: "Wild Pigs"

This webinar will provide insight into wild pig behavioral drivers and will also discuss how these drivers tie in to wild pig management in both urban and rural areas. Additionally a discussion of population reduction techniques that have been evaluated by research will be presented. This discussion will provide research-based insight into popular feral hog reduction tools and techniques.

Where: Your home or office computer

Cost: FREE!

How to sign on: Simply point your browser to <https://texas-wildlife.webex.com> on the day of the webinar and click to join the Wildlife for Lunch webinar. (*Please note:* WebEx webinars are not supported on handheld devices such as iPads or iPhones.) Each web based seminar is fully interactive and allows you to engage the experts, make comments, and ask questions during the course of the presentation.

If you cannot make the live webinar: Each webinar is archived and available for viewing following the initial air date at the TWA website: www.texas-wildlife.org
