

## 2015 Roundtable Topic:

# Building Resiliency on Streams and Rivers: Lessons Learned from the Blanco River Memorial Weekend Flood

Picture of Pedernales River courtesy of Ric Sternberg

We welcome Rachael Ranft, the Director of Northern Hill Country River Projects with The Nature Conservancy, for our upcoming Westcave Roundtable. Rachael will showcase before and after photos of the Blanco River. She will discuss how to better manage riparian areas for resilient landscapes during both floods and droughts

On Tuesday, August 4th at 6:30pm

at Westcave Preserve

24814 Hamilton Pool Rd.

Round Mountain, TX 78663

Please join us at Westcave Preserve for our second Roundtable event of 2015! This is a **free** event!

*The Westcave Roundtable brings local area residents together to explore issues of common interest.*

Please RSVP to [amber@westcave.org](mailto:amber@westcave.org) or call 830-825-3442

Snacks will be provided and please feel free to bring your own to share.
