

Groundwater Conservation District Panel Discussion

Free & Open to the Public

Wednesday, August 9, 6:30pm
William R. Sinkin Eco Centro
1802 N. Main Ave.

Panel: The panel will consist of Sarah Schlessinger, Executive Director of the Texas Alliance of Groundwater Districts, as well as board members and staff of the Edwards Aquifer Authority and San Antonio-area groundwater conservation districts. Attorney Susana Canseco will moderate.

Discussion will explore how districts manage groundwater resources, plan for the future, provide processes for stakeholder input, and tackle current issues facing their districts. The discussion will also cover the recent Texas legislative session regarding groundwater policy and compare San Antonio-area districts to others in the state.
