Dianne Wassenich, San Marcos River Foundation

Closing Remarks

Katherine Romans, Hill Country Alliance

Comal County has been among the top ten fastest growing counties in the country for the past four consecutive years, and population growth is projected to continue. We are losing working ranchlands and wildlife habitat to development much faster than we are protecting it. Come learn about what options are available to begin permanently protecting open space in Comal County, and how individual landowners and residents can get involved.
